

# My Top things to do in Wynyard

By Lee (Eager Beaver window washers)

One of the first things I like to take people to, is the Wynyard golf course. It's just magic- even if you don't play a lot of golf, the views over to table cape and across the sea are magnificent. A bit distracting for the game though!

A drive along the Tollymore road to Boat harbour beach is a must. This little often overlooked beach is just beautiful, and lovely for a walk.

Definitely go for a BBQ at Oldina State reserve. Not many people go down here, but it is just so pristine, and secluded. Blackfish creek runs through the reserve, with platypus and lots of areas for BBQs.

Make sure to stop off at Ideal meat to pick up a selection of top quality local meat- peter's sausages are fantastic!

A really relaxing way to spend an afternoon, with nothing but the sound of the creek and the trees.

1. Wynyard Golf Course
2. Boat Harbour Beach
3. Oldina State Reserve for a BBQ

Ideal Meats are in the main street of Wynyard

All of these areas are accessible by wheelchair.
